

These are the root cellars available to buy.

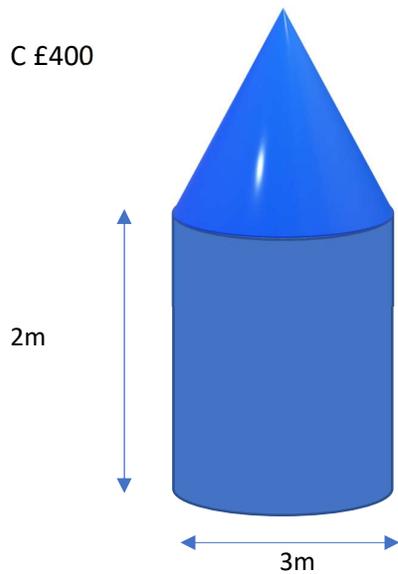

A =£300

B=£650

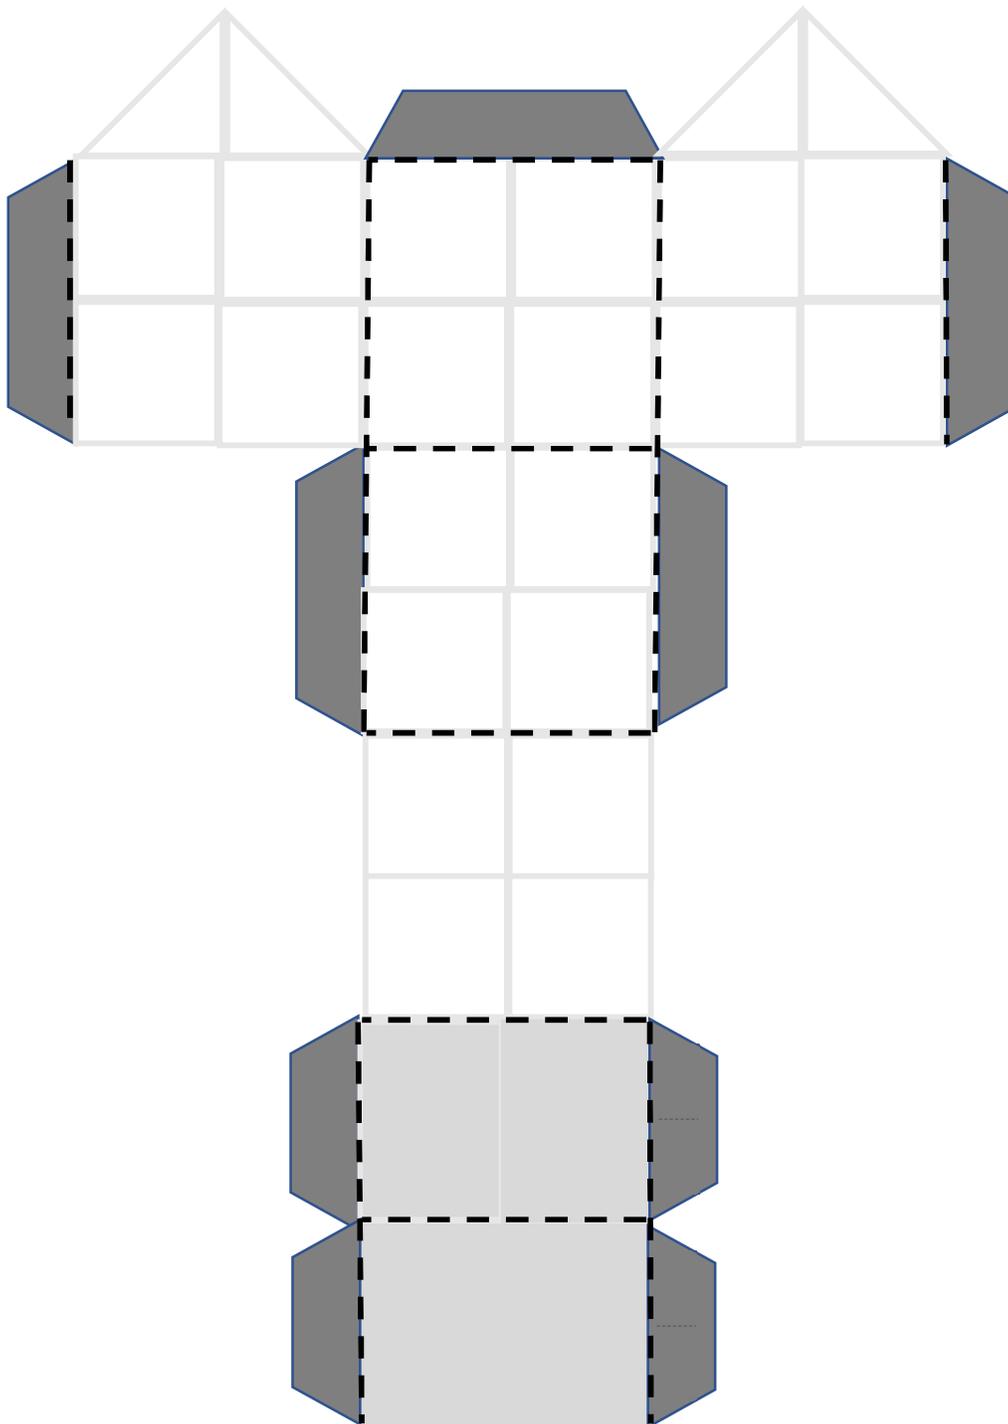

C £400

These are the timber panels from the builders' merchant.

Type	Size in metres	£
Rectangle	1 x 2	12
Rectangle	1.5 x 2	18
Rectangle	2 x 2	24
Rectangle	2 x 2.5	30
Rectangle	2 x 3	36
Rectangle	2.5 x 3	45
Rectangle	2 x 4	48
Rectangle with door	1 x 2	20
Rectangle with door	2 x 4	56
Triangle right angled	1 x 1	10
Triangle right angled	1.5 x 2	20

Net of Type A with roof

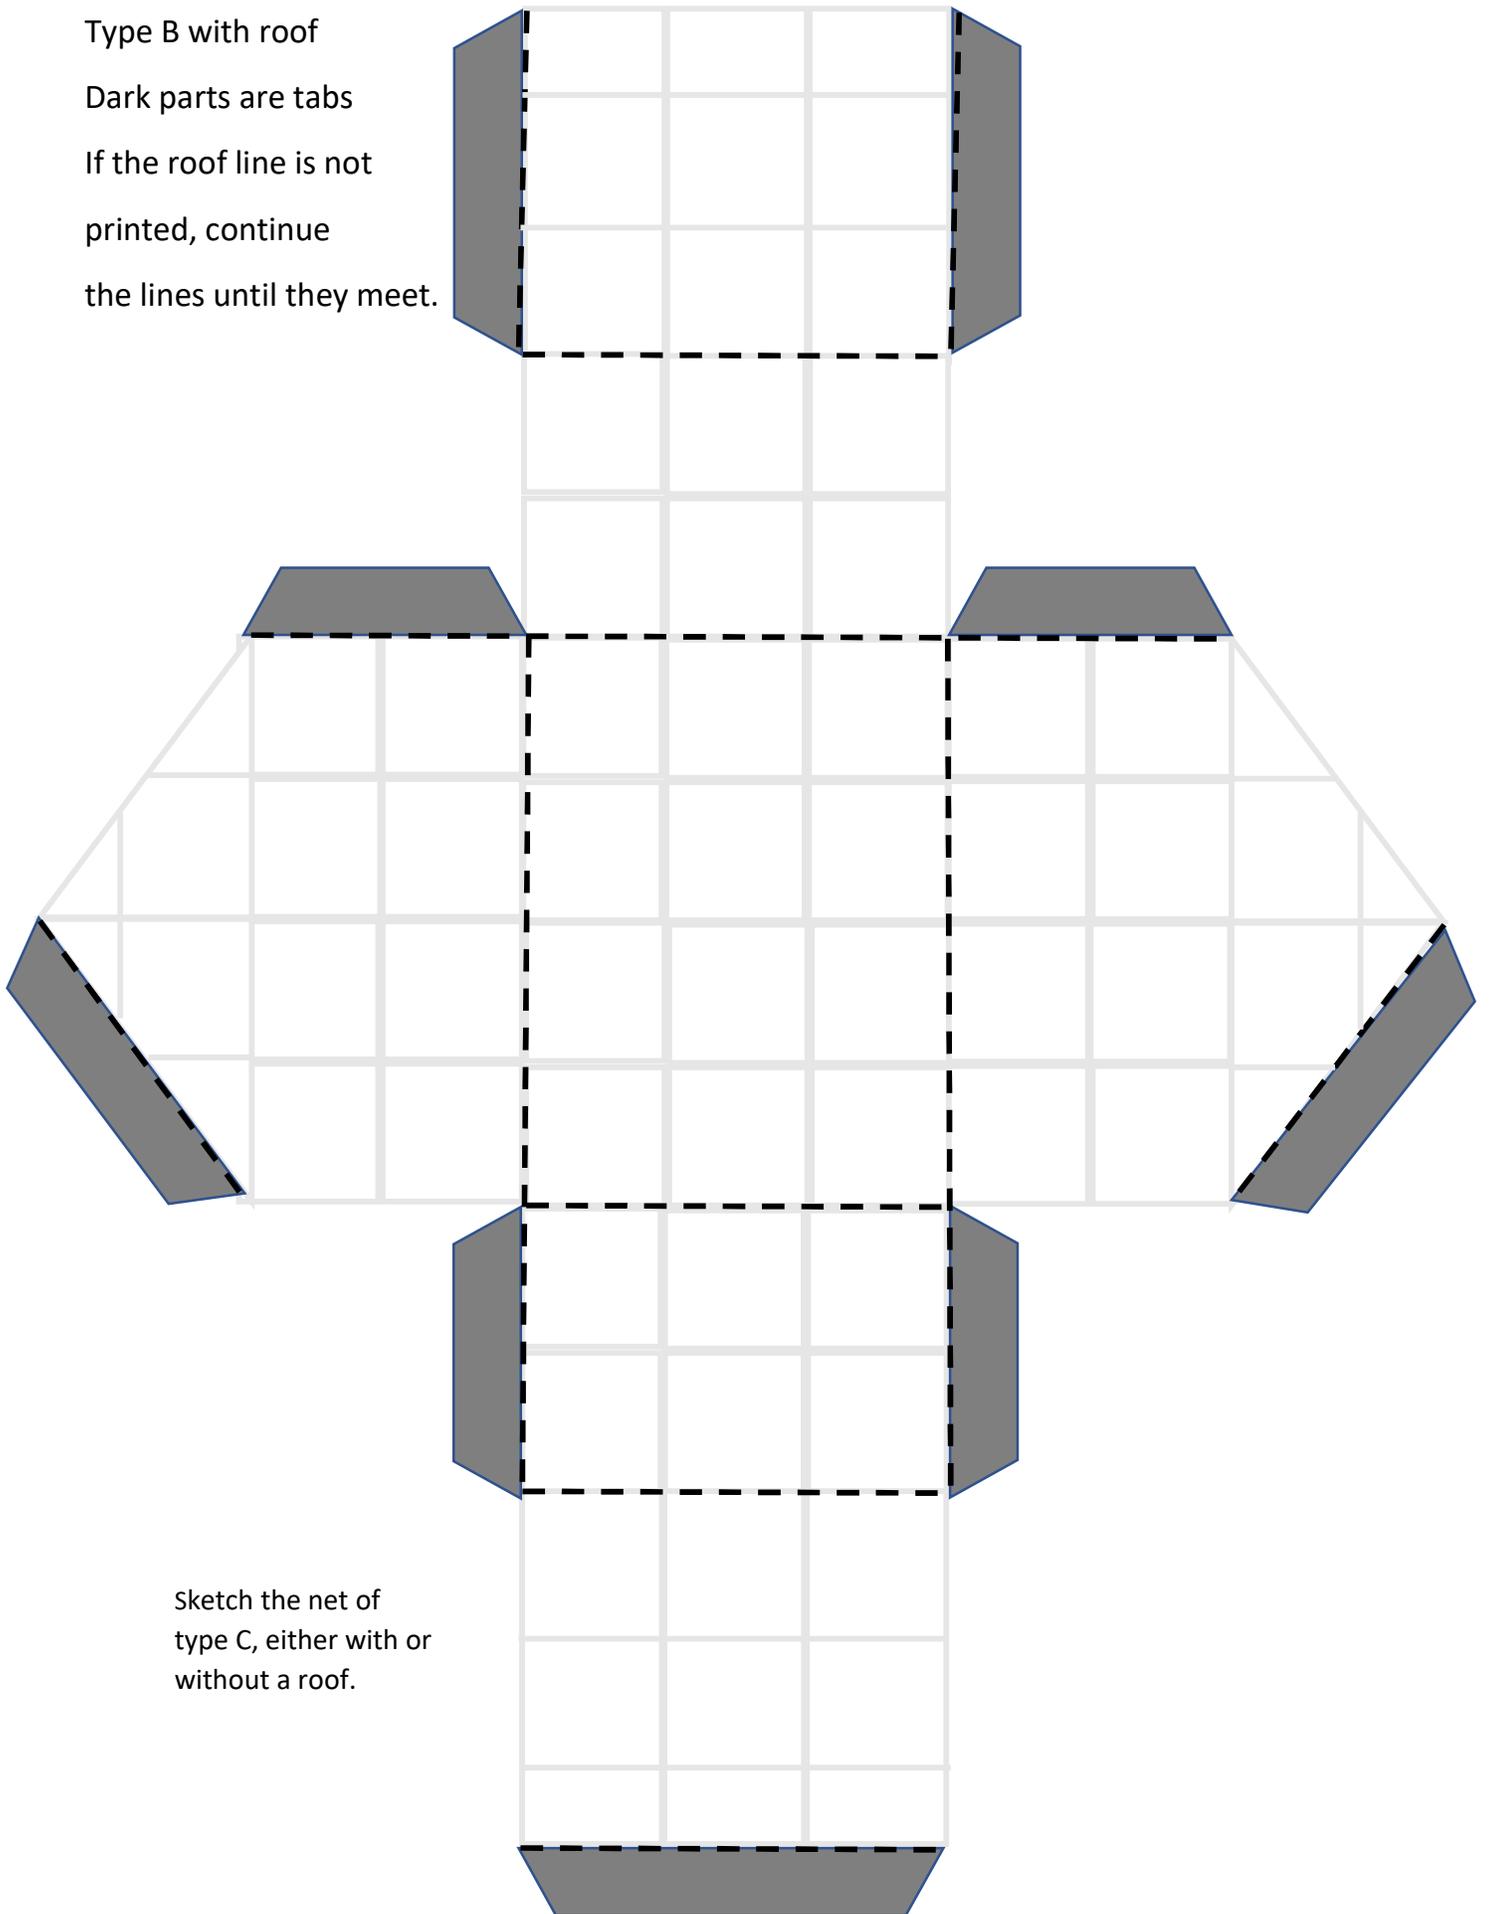

Each square has side 1 metre.

For each root cellar you will find it hard to fill the roof space, but not impossible.

Cut all around the edge and fold on the dotted lines.

Type B with roof
Dark parts are tabs
If the roof line is not
printed, continue
the lines until they meet.

Sketch the net of
type C, either with or
without a roof.
