

## Single Equality Scheme 2018 - 2021

### Introduction

DfE The Equality Act 2010 and schools: Departmental advice for school leaders, school staff, governing bodies and local authorities May 2014

<https://www.gov.uk/government/publications/equality-act-2010-advice-for-schools>

*5.16 Under specific duties set out in previous equality legislation, schools were required to produce equality schemes in relation to race, disability and gender. Under the specific duties there are no requirements to create equality schemes. But schools may choose to continue producing such a scheme, if it helps them to comply with the Equality Duty, and they can expand it to cover the additional protected characteristics.*

This Single Equality Scheme for schools in North Yorkshire provides a format for addressing the statutory duties of the Equality Act 2010 and The Children and Families Act 2014 This supersedes and brings together all previous statutory duties in relation to race, gender and disability and also addresses the duty to promote community cohesion, thus meeting the school's statutory duties in these areas.

The scheme also highlights how our school has worked with and listened to the staff, pupils, parents and carers to inform development of action plans and the need and commitment required to ensure the scheme is a success. This is underpinned by a commitment to promoting positive relationships and understanding between all groups within our school community.

This document sets out how pupils with the following protected characteristics (previously known as equality strands) will be protected in our school from harassment and discrimination:-

- disability.
- gender.
- race.
- religion and belief.
- sexual orientation.
- gender reassignment.
- pregnancy and maternity.

The law on disability discrimination is different from the rest of the Equalities Act in a number of ways. In particular, it works in only one direction – that is to say, it protects disabled people but not people who are not disabled. This means that schools are allowed to treat disabled pupils more favourably than non-disabled pupils, and in some cases are required to do so, by making reasonable adjustments to put them on a more level footing with pupils without disabilities The definition of what constitutes discrimination is more complex. Provision for disabled pupils is closely connected with the regime for children with special educational needs. Chapter 4 of the Act deals in detail with disability issues.

This scheme extends however to cover all aspects of vulnerability, including those associated with socio-economic factors (e.g. pupils from low income families).

As well as delivering high quality services to our pupils, the school is also committed to being a good employer and as such this scheme outlines how we meet our varied duties in terms of recruitment and employment practices. We are also committed to be fully inclusive of all community users, including parents and carers. As such, this scheme therefore also sets out how we will work to overcome any discrimination related to the other protected characteristics:-

- Age\*
- Being married or in a civil partnership

\*A person's age is also a protected characteristic in relation to employment and the Act extends this (except for children) to the provision of goods and services, but age as a protected characteristic does not apply to pupils in schools. Schools therefore remain free to admit and organise children in age groups and to treat pupils in ways appropriate to their age and stage of development without risk of legal challenge, even in the case of pupils over the age of 18.

The impact of this scheme is reported on annually.

### **Aims of the single equality scheme**

- To articulate the school's commitment to equality which permeates all school policies and practices
- To ensure that everyone who belongs to, or comes into contact with, our school community is valued and respected
- To promote equality of opportunity and eliminate unlawful discrimination, harassment or victimisation
- To comply with statutory duties under equalities legislation in one document

### **Purpose of the Equality Scheme**

This equality scheme is the school's response to the specific and general duties in the current equality legislation, which has been brought together under the Equality Act 2010 (see appendix 1). It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity.

This Equality Scheme sets out how the school will:

- eliminate discrimination
- eliminate harassment or victimisation related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others;
- take proportionate action to address the disadvantage faced by particular groups of pupils.

## **Planning to eliminate discrimination and promote equality of opportunity**

This scheme is underpinned by the core belief that all children and young people belong to their local community and share the same rights to membership of that community and a quality education. We set equality objectives with associated actions which are outlined within our equalities action plan that accompanies this Equality Scheme. Our plan identifies what we will be doing over the coming year to make our school more accessible to the whole community, irrespective of background or need. (see appendix 2)

It encompasses our duties to promote positive outcomes in relation to race, gender and disability, but also identifies actions to address other social identities. It encompasses our **anticipatory duties to plan ahead for the reasonable adjustments** (reasonable and proportionate steps to overcome barriers that may impede some pupils) we need to make to be best placed to help disabled pupils who come to our school.

This action plan replaces the school's Disability Accessibility Plan for the school (previously required under the planning duties in the Disability Discrimination Act) as it sets out how the school will increase access to education for disabled pupils, alongside other protected groups, in the three areas required:

- increasing the extent to which disabled pupils can participate in the school curriculum;
- improving the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- improving the availability of accessible information to disabled pupils.

The action plan is renewed annually and progress towards the equality objectives within it is reported on regularly to governors, and this information is published at least annually. Equality objectives have been identified through consultation with key stakeholders using the **Inclusion Quality Mark** audit tool. Our equality objectives are published at least once every four years.

This action plan is understood and implemented by all staff and is available on the school website. It is available in different formats and in different languages on request to the school office.

Our school has regard to the need to provide adequate resources for implementing plans and must regularly review them. (NB An accessibility plan may be a freestanding document but may also be published as part of another document such as the school development plan.)

OFSTED inspection may include the school's accessibility plan as part of their review.

### **School Aims Statements**

Our aim is to provide a positive learning experience in a safe and supportive environment, enabling our pupils to:

- gain the skills and confidence that will allow them to become more successful within education
- maximise their potential to contribute to society as independent and responsible citizens.

We do this with specialised staff and lessons planned to meet the needs of individual pupils. We work collaboratively with other agencies to support our pupils with the ultimate goal of returning to mainstream school or preparing for post 16 education, employment and training.

We work closely with parents/carers and the families to improve the lives and prospects for our pupils. We aim to nurture pupils to allow them to develop their self-esteem, social skills and emotional intelligence thus preparing them for success in adulthood.

Our Management Committee will monitor, challenge and support us to deliver an efficient, effective and transparent service and will work to raise our profile and change attitudes to ensure that every pupil achieves their full potential.

### **Equality Objectives 2018-2021**

- To continue to provide a school environment that welcomes, protects and respects diverse people.
- To narrow the gap in performance of SEND pupils;
- To eradicate the use of homophobic, sexist, racist and other discriminative language by pupils in the school.
- To raise attainment in English for boys;
- To encourage pupils to consider non-stereotyped career options;
- To anticipate the needs of incoming pupils from a new group, such as children from a different ethnic/cultural background.

## Indicators of progress towards meeting objectives

- All staff have read the Single Equality Scheme and have had the opportunity to discuss it and contribute ideas as appropriate.
- Staff awareness of all equality issues including the LGBT agenda is embedded and these are actively contributing to the narrowing of the performance gap.
- Pupils have positive and consistent experience of equality issues and opportunities to share concerns or beliefs in a supportive and safe environment.
- Pupils become more tolerant of difference, accepting new pupils into the school without judging or otherwise discriminating against them.
- There is a consistent approach to tackling homophobic language, sexuality, racism and the LGBT agenda.
- Opportunities are provided for all pupils to experience a range of possible career options through visiting speakers, 'Drop Down Days', college visits, employer visits and impartial advice with equal access to taster days from post 16 providers.
- Staff use information from local schools, collaborative meetings and LA to prepare for new students and ensure their ethnic and cultural background are properly understood and taken into consideration before admission.
- All pupils, regardless of gender, race, disability, sexual preference and beliefs feel included and safe at Scarborough Pupil Referral Service.
- The Management Committee hold the school to account on all matters relating to equality.

## What kind of a school are we?

### School Vision and Values

The school's vision and values statement reflects the school's ambitions for all its pupils and have been developed with the whole community. It refers to the key requirements set out in the National Curriculum Inclusion Statement for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils' diverse learning needs; overcoming potential barriers to learning and assessment for individuals and groups of pupils.

The school statement also embraces the North Yorkshire Inclusion statement which emphasises that individuals and groups of learners who may be vulnerable to exclusion, marginalisation and underachievement are identified and receive targeted provision to ensure their presence, participation and achievement. The school is committed to achieving the **Inclusion Quality Mark** and to addressing any actions which are identified to improve our inclusive practice.

## School Context

The nature of the school population and context to inform action planning for the equality scheme

### **Factors of the geographical location of the school:-**

Scarborough Pupil Referral Service is situated in the North Yorkshire coastal town of Scarborough and serves the 5 secondary schools in the Scarborough and Filey area: Scalby School, Graham School, St Augustine's School, George Pindar School and Ebor Academy (Filey)

Pupils are referred for placements via a collaborative of representatives from the local secondary schools, the Youth Justice Service, Prevention and other associated agencies. At Key Stage 4 all placements are statutory. Typically KS4 pupils remain on the PRS roll for the whole of their final two years of statutory schooling. At Key Stage 3 the aim is to return pupils on a statutory placement to a mainstream school as soon as practicable. We also offer discretionary placements at KS3, usually lasting 10 weeks, to support our mainstream colleagues in looking for alternative strategies to support their learners.

In January 2018 the following statistics apply:

2%	<i>minority ethnic</i>
23%	<i>religions and belief</i>
97%	<i>English as a first language</i>
40%	<i>Free School Meals (FSM)</i>
100%	<i>Special Educational needs (SEN)</i>
14%	<i>Educational Health Care Plan</i>
2%	<i>Disabled</i>
0%	<i>Asylum Seekers</i>
71%	<i>Male Pupils</i>
29%	<i>Female Pupils</i>

As is the nature of a PRS, and with regard to the notes above, the turnover of pupils compared to a mainstream school is high.

The school is on a split level site with level access to the lower floor but no disabled access to the upper floor.

Recruitment of staff follows North Yorkshire County Council protocols for factors such as disability, gender, sexual orientation, faith, age and ethnicity

### **The training taken to position the school well for the equality and diversity agenda.**

Scarborough Pupil Referral Service is committed to providing quality training for all staff in matters of equality and diversity, the medical needs of pupils, Restrictive Physical Intervention, the use of pejorative language. Training needs are assessed annually and new intake staff are trained as part of their induction process. Key Stage meetings are held each week to discuss pupils and their varying needs. This may include their medical, emotional, social, religious, language or SEND. Any identified area required to ensure equal access are 'flagged' and appropriate training is sought.

The Management Committee receives updates each term from the Headteacher on training delivered and needed. The training of members of this committee covers fair recruitment and the SEND Code of Practice.

### **School provision**

#### **Examples of reasonable adjustments the school makes as a matter of course**

From September 2012 schools and local authorities have a duty to supply auxiliary aids and services as reasonable adjustments where these are not being supplied through Special Educational Needs (SEN) statements or from other sources. Additional high needs funding may be available on application to the local authority.

Reasonable adjustments are made in the way in which information is currently provided for disabled pupils and parents/carers eg paper colour, braille, large print, audio.

Each pupil has a personalised placement plan which is created to match individual need.

Lessons are differentiated as staff planning is driven by baseline and ongoing progress data to ensure maximum opportunities for success in learning and social and emotional development for all pupils.

Each curriculum area in each key stage at SPRS has a dedicated Teaching Assistant to support learning in that area.

Screening is carried out when an identified need arises. This might be for dyslexia, dyscalculia or language difficulties. Further assessment by specialist external agencies can be requested in consultation with parents and staff. Results from these screenings are shared with staff in order for the information to be used to improve educational outcomes.

## Outcomes for pupils

Outcomes for pupils are analysed against social identity issues, i.e. gender, ethnicity, disability, faith background, and aspects of vulnerability identified by the school. This is compared with the outcomes made for all pupils. This is recorded in the School Self evaluation Form (SEF).

These processes form part of the school's equality impact assessment processes through the Inclusion Quality Mark, to determine the impact of our provision on improving outcomes for identified pupils. In line with statutory requirements all new policies as well as existing policies and functions are evaluated for the impact they have, in consultation with identified pupils and parents/carers.

- Pupil Attainment , Attendance and Behaviour is reported and analysed termly and at the end of each academic year to the Management Committee. Analysis is made by Key Stage, year group, gender, eligibility for free school meals, SEN status and whether a pupil is a child in care.
- Pupils take part if the annual Growing Up in North Yorkshire survey which identifies particular groups and provides feedback on a number of equality issues as follows:
  - Extent to which particular groups feel safe from incidences of bullying, racism and hate crime
  - Extent to which pupils from particular groups adopt a healthy lifestyle
  - Extent to which particular groups contribute to the life of the school and community eg participation in extra- curricular events, school trips etc.
- The Pupil Premium Co-ordinator and Management Committee link member produce a Pupil Premium Report non an annual basis
- The SENCO and Management Committee link member produce annual reports.

Visitors and contractors are responsible for complying with the school's Equality Scheme – non-compliance will be dealt with by the Headteacher.

### **Involvement Processes**

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school gleans insights into the barriers faced by people from different social identity backgrounds and learns the best ways to overcome such barriers. This Scheme will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;
- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

## Mechanisms for involvement

At this school the following mechanisms will ensure the views of **pupils** inform the Equality Scheme and action plan:

- Admission and Review Meetings
- Half termly pupil council meetings
- Individual interviews with pupils involved in incidences of a discriminatory nature or of bullying related to discrimination conducted by the Emotional Literacy Support team
- Individual meetings with pupils experiencing reasonable adjustments
- Drop down days with specific themes allowing a voice to all pupils on matters of equality
- Growing up in North Yorkshire Pupil Survey

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme and action plan:

- Exit Interviews with staff
- Regular staff meetings with specific agendas
- Individual discussions with staff as part of performance management/appraisal.

At this school the following mechanisms will ensure the views of **parents and the community** inform the Equality Scheme and action plan:

- Welcoming parents and the community into school so that they are critical drivers in policy development
- Text to be inserted into communication with parents; “Your support for your child’s education is crucial to their progress. Please tell us if there is any adjustments we need to make to help you support your child, eg: letters in large print; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender”
- Feedback through Management Committee Meetings
- Feedback from stakeholders and other agencies
- Yearly Open Days with parents and local groups
- Whole school events eg sports day, charity coffee mornings to which parents and community representatives are invited.

The school’s action plan will focus on developing the involvement of pupils, staff and parents from different social identity backgrounds over the three years of this Scheme. We will consider varying the times, methods and the venues for this involvement to ensure the best possible attendance and ensure views can be heard. This way the school will learn what works and the involvement of pupils, staff and parents will improve and deepen over time.

## **Making it happen**

### **Action Planning**

Although it is no longer a requirement for schools to have an equality action plan, those schools which do already have one (or more) of these in place, may find it helpful to continue with this approach and adapt it to take into account the extent of the duty. ( 5.27 DfE Equalities Guidance May 2014)

This scheme is supported by an action plan, the progress of which is monitored and evaluated by the Management Committee.

The action plan that identifies the equality objectives for the school arising from this scheme and the impact assessment through the Inclusion Quality Mark has:

- clear allocation of responsibility;
- clear allocation of resources, human and financial;
- clear timescales;
- expected outcomes and performance criteria;
- specified dates for review;

The effectiveness of this Scheme will be evaluated and reflected in:

- the School Self-evaluation Form;
- the level achieved in the Inclusion Quality Mark;
- feedback e.g. Parentview, pupil/parent questionnaires

### **Reporting**

This Scheme will be reported on annually. Progress against the action plan will be evaluated and the impact of the action and activities assessed. Copies will be displayed in the school reception area and it will be referenced in school newsletters and in the school's prospectus, school website.

### **Publication**

This Equality Scheme will be published and available to anyone requesting a copy. Copies will be displayed in the school reception area and it will be referenced in school newsletters, the school prospectus and on the school's website.

Information is published demonstrating how the school is complying with the Public Sector Equality Duty and the school's equality objectives. The school updates its published information at least annually and publishes the equality objectives at least every four years.

It will be up to schools themselves to decide in what format they publish equality information. For most schools, the simplest approach may be to set up an equalities page on their website where all this information is present or links to it are available. The regulations are not prescriptive and it will be entirely up to schools to decide how they publish the information, so long as it is accessible to those members of the school community and the public who want to see it. ## Equality Legislation and Guidance

This equality scheme responds to the current equalities legislation.

- The Equality Act 2010 is the overarching legislation for all equality duties.

The act serves two main purposes:

- a) To harmonise discrimination law;
- b) To strengthen the law to support progress on equality.

The act supersedes or strengthens the following acts and regulations:

- The Equal Pay Act 1970
- The Sex Discrimination Act 1975
- The Race Relations Act 1976
- The Disability Discrimination Act 1995
- The Employment Equality (Religion & Belief and Sexual Orientation) Regulations 2003
- The Employment Equality (Age) Regulations 2006
- The Equality Act 2006 Part 2
- The Equality Act (Sexual Orientation) Regulations 2007
- The SEN Code of Practice 2001

### Overview of previous equalities legislation which has been harmonised and strengthened by Equality Act 2010:

- Race Relations Act (RRA) 1976/2000  
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;
- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007  
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007  
The Act sets out that it is unlawful for schools to discriminate against a person:
  - a) in the terms on which it offers to admit him/her as a pupil;
  - b) by refusing to accept an application to admit him/her as a pupil, or
  - c) where he/she is a pupil of the establishment:
    - i) in the way in which it affords him/her access to any benefit, facility or service,
    - ii) by refusing him/her access to a benefit, facility or service,
    - iii) by excluding him/her from the establishment,
    - iv) by subjecting him/her to any other detriment.
- Disability Discrimination Act (DDA) 1995/2005  
statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;

- Education and Inspections Act 2006, duty to promote community cohesion.  
By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as:  
"working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community."
